

Whispers

The woman whispered, "God, speak to me" and a meadowlark sang.

But, the woman did not hear.

The woman looked around and said, "God let me see you." And a star shined brightly.

But she did not see.

And, the woman shouted, "God show me a miracle." And a life was born.

But, she did not notice.

So, the woman cried out in despair, "Touch me God, and let me know you are here." God sent a butterfly to touch her.

But, she brushed the butterfly away and walked on.

I found this to be a great reminder that God is always around us in the little and simple things that we take for granted.

So I would like to add one more:

The woman cried out "I need your help!"

And He made "Time Out!" possible.

Reaching out to all who would come.

But, she didn't come and continued crying.

We are glad you listened as God whispered to you. So "Be Blessed," and enjoy another one of God's provisions.

Special Note

We are asking all ladies to wear their "Time Out!" t-shirts on Saturday. Anyone wishing to purchase a t-shirt should check the appropriate box on the registration form (see inside) and add an additional \$12.00 with your registration fee.
